

Life Changers (missions)

"When you are kind to the poor you honour God." (Proverbs 14:31)

Jesus urged His disciples to make a difference in the world in which they lived. We at Metro Central Community Church are committed to making a difference in the lives of people in both our local community and internationally. Metro Central Community Church provides financial support, prayer, training and short term missionaries for the following projects.

Pen-Asia

The Pen-Asia region is our international Life Changers focus.

Pen-Asia comprises the countries of Thailand, Vietnam, Cambodia, Laos and Myanmar (Burma). These are all developing countries. Poverty is rife, so is corruption. The things we take for granted such as clean drinking water, low mortality rates, a good education and a decent standard of living are far from a reality for many people in this region. The predominant religion is Buddhism with only 0.45% of people Christian. With Christians in the minority, followers of Christ experience varying degrees of persecution. Metro Central Community Church believes that God has called us to shine the love of Jesus into this region where there are so many needs.
