

Life Changers update : Operation Heartbeat

Le Thi Huyen Trang is six years old and lives in Vietnam. Today she has a new lease on life thanks to a heart operation paid for by Metro people!

Before the operation, Le Thi Huyen Trang had a very short life expectancy and was so sick she was not even able to go to school. Today she is up and about and living a normal life. Thank you for giving her a second chance in life.

If you would like to sponsor heart operations, become a Life Changer, as there are many children who are desperately in need right now. Please contact Life Changers for details.
